

Privacy Statement

Secure Data Corporation is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Secure Data Corporation Web site and governs data collection and usage. By using the Secure Data Corporation website, you consent to the data practices described in this statement.

Collection of your Personal Information

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Secure Data Corporation public message boards, this information may be collected and used by others. Note: Secure Data Corporation does not read any of your private online communications.

Secure Data Corporation encourages you to review the privacy statements of Web sites you choose to link to from Secure Data Corporation so that you can understand how those Web sites collect, use and share your information. Secure Data Corporation is not responsible for the privacy statements or other content on Web sites outside of the Secure Data Corporation and Secure Data Corporation family of Web sites.

Use of your Personal Information

Secure Data Corporation Web Sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Secure Data Corporation or the site; (b) protect and defend the rights or property of Secure Data Corporation; and, (c) act under exigent circumstances to protect the personal safety of users of Secure Data Corporation, or the public.

Security of your Personal Information

Secure Data Corporation secures your personal information from unauthorized access, use or disclosure. Secure Data Corporation secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

Secure Data Corporation will occasionally update this Statement of Privacy to reflect company and customer feedback. Secure Data Corporation encourages you to periodically review this Statement to be informed of how Secure Data Corporation is protecting your information.

Use of your Personal Information

Secure Data Corporation does not sell, rent or lease its customer lists to third parties. Secure Data Corporation may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, Secure Data Corporation may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Secure Data Corporation, and they are required to maintain the confidentiality of your information.

Secure Data Corporation does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.
